

2025 Sponsorship Opportunities

Port Huron Township Little League provides a safe and secure environment for our Local youth while teaching sportsmanship, teamwork, competition and leadership. Your sponsorship money will ease the growing cost of uniforms, equipment, field maintenance, help fund our end of season baseball bash/players choice car show as well as fund grant scholarships for our lower income families. We provided several player grants in 2024 which enhanced the experience of our PHTLL Little Leaguers and their families. Your generosity allows PHTLL to provide an excellent experience to our future leaders as well as showing your commitment to the Port Huron Township community.
